MUHAMMAD RAKHA AKBAR

UI/UX AND WEB DEVELOPER

Sumatera Utara, Indonesia│ +628-21698-33829│ 221121260@students.mikroskil.ac.id www.linkedin.com/in/muhammad-rakha-akbar-342118257

SUMMARY

I am Rakha, a Mikroskil student focusing on UI/UX design and web development. With a passion for building seamless digital experiences, I combine strong design principles with technical development skills. Experienced in user interface design, prototyping, user research, and full-stack web technologies, I am constantly seeking opportunities to grow, build impactful solutions, and collaborate in the digital innovation space.

STUDY EXPERIENCE

Final Project UI/UX, MySkill   **Desember 2024**
- Conduct user research to understand problems and improve user experience
- Create wireframes and prototypes using Figma to represent design solutions
- Collaborate with the team to develop and refine design ideas based on feedback
- Communicate final design deliverables to stakeholders to ensure alignment with project goals

C# Dasar, Skilvul   **November 2024**
- Designed and optimised a robotic control system, realizing a 12% performance improvement.
- Coordinated testing and validation, ensuring compliance with industry standards.
- Provided technical expertise, contributing to a 15% reduction in system failures.

Febe, Dicoding   **Februari 2025**
- Learn HTML, CSS, JavaScript, and Web Components
- Building a RESTful API using Node.js and Express.js

SKILLS

Prototyping Tools	RESTful API Integration	HTML, CSS, JavaScript
OOP – basic	Visual Design	Version Control (Git & GitHub)

EDUCATION

Universitas Mikroskil   **September 2022-Now**
